

Moving your business forward that's APL

Multimodal transport bill of lading through Cikarang Dry Port

APL LINER

APL is a wholly owned subsidiary of Singapore based Neptune Orient Lines, a global transportation and logistics company engaged in shipping and related businesses.

We help customers grow their business - whether that is venturing into new territories, exploring new business opportunities, or growing in already developed markets. With more than 160 years' experience, APL has the knowledge and the expertise to help you negotiate the increasingly complex and ever-changing global marketplace.

Our partnership with some of the world's best-known brands and success in fostering trade in emerging markets has helped defined global trade, setting new benchmarks in service innovation and excellence in every market we serve.

Today, we offer a scale of container transportation solutions that few can match:

- Seamless global connectivity
- Highly competitive transit times
- Industry-leading schedule reliability
- Extensive intermodal network to facilitate inland reach
- Two state-of-the-art intermodal terminals in the US West Coast
- Priority access to strategic Asian terminals
- Comprehensive fleet of vessels and modern equipment
- Integrated supply chain solution with APL Logistics
- Excellent customer service widely recognized in the industry
- Vertical expertise who understand your shipping needs
