# GLOBAL REACH

Multimodal Transport Bill of Lading  
Through Cikarang Dry Port

# "Maersk Line, MCC Transport and Safmarine (Shipping Arms of APMM Group) are now open a new service connecting Cikarang Dry Port and other ports call around the world served with Multimodal Transport Bill of Lading"

## CIKARANG DRY PORT

Cikarang Dry Port is strategically located in Jababeka Industrial Estate, which lies in the heart of the biggest manufacturing zone of west Java, as well as the country, home to a dozen Industrial Estates with more than 2,500 industrial companies.

Cikarang Dry Port offers a one stop service for cargo handling and a logistics solution for international export and import, as well as domestic distribution, which is easily accessible by highway and railway system. It provides integrated port and logistics services with dozens of logistics and supply chain players, such as exporters, importers, carriers, terminal operators, container freight station, bonded warehouse, transportation, third party logistics (3PL), empty container depot, as well as banks and other supporting facilities.

Cikarang Dry Port is appointed as the first Integrated Customs Services Zone (KPPT-Kawasan Pelayanan Pabean Terpadu) with international port code "IDJBK". We are ready to provide suitable place for your supply chain activities for better coordination and increase productivity.

## MAERSK LINE, MCC TRANSPORT AND SAFMARINE

The global containerized shipping division of the A.P. Moller - Maersk Group is dedicated to delivering the highest level of customer-focused, reliable ocean transportation services. Our vision, built from a strong heritage of uprightness, constant care, and innovation, has guided our business operations since 1904, when the first Maersk Line vessel sailed.

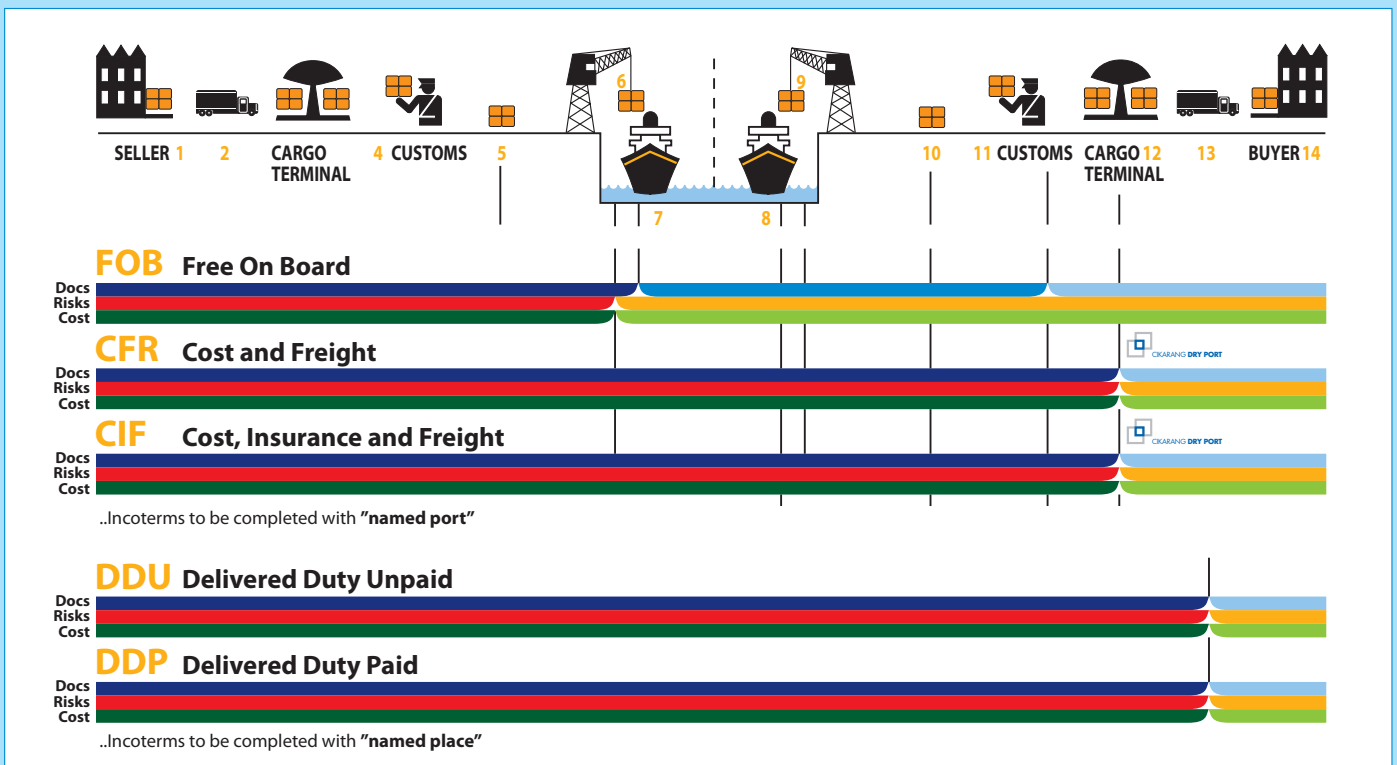

We are dedicated in providing world class ocean transportation services for our customers' products which range from raw materials to highly sensitive, perishable commodities that require the most sophisticated equipment the industry has to offer. With 325 offices across 125 countries and a fleet of 500+ vessels along with 1.9 million containers, we have the global reach and resources to accommodate our customers' broad transportation needs.

In addition to the continuous service innovation, we are now open new emerging route to Cikarang Dry Port. Offering a comprehensive intermodal network in combination of sea and inland transportation, we are ready to provide the depth of coverage our customers requirements.

## SERVICES

Simply put our Port Code "IDJBK" as Place of Receipt or Place of Delivery on your Shipping Instruction / booking with Maersk Line, MCC Transport and Safmarine representative around the world.
